Computer Technology and Northern Seminary

All Northern students are expected to have a level of technological proficiency, which enhances the educational experience.* Northern students must have:

- a) Easy and regular access to a personal or public computer with Internet access
- b) A personal email account that is active and regularly used**
- c) Access to word processing software, which is required for written academic paper assignments

By signing this application, you confirm that you understand and can meet the stated technology requirements.

** Additional requirements exist for students participating in classes that are fully online. (available at www.seminary.edu)*

*** When you are admitted and register for classes you will be assigned a @student.seminary.edu email address.*

All official seminary communication is sent to you through this student email address which you will be required to use throughout your enrollment. You may have email to this address forwarded to an email address of your choosing.

Statement

By signing below, I acknowledge that all statements on this application are true to the best of my knowledge. I understand that fraudulent statements may be grounds for denial of this application or dismissal from the seminary at a later date. I also acknowledge that I have read and understand the "Standards of Conduct" as outlined in the Academic Catalog (<http://www.seminary.edu/current-students/academic-catalog/>). I also understand that I am admitted only to Summer Seminary and that to gain Full Admission, I must complete and comply with all regular admission procedures and standards for any subsequent enrollment.
